Seeds of Change II

Starting on 1st May, the Welioya SME Empowerment Initiative, a District Grant Project, was launched to uplift 50 vulnerable households by supporting small-scale livelihood development through seed distribution. Many families in Welioya face limited income opportunities due to geographic isolation, poor market access, and financial constraints. Through this initiative, each selected household receives seeds to establish or strengthen home gardening and small-scale cultivation activities suited to local conditions.

The project aims to improve both household nutrition and income generation through the cultivation and sale of surplus produce. Beneficiaries are also provided with basic guidance on cultivation practices and sustainability to ensure the long-term success of their efforts. Building on Rotary's ongoing commitment to Welioya, this initiative focuses on creating sustainable, self-reliant livelihood opportunities that empower families and strengthen community resilience. ❤️

Vesak Ice Cream Dansala

In celebration of the Vesak Festival, the Rotary Clubs of Colombo Centennial, Colombo Central, Colombo Downtown, and Pan Colombo came together to organize a Vesak Ice Cream Dansala, distributing 5,000 ice creams to the public in the spirit of generosity, compassion, and community service.

Further strengthening the impact of the initiative, we joined hands with the Rotaract Clubs of SLTC and Centennial United, showcasing the true spirit of Youth Service and Rotary–Rotaract collaboration. This collective effort brought smiles to thousands while celebrating the values of Vesak through fellowship, kindness, and service to the community. 🍦💙

Installation of District Governor 2026–27

The Rotary Club of Colombo Centennial was honoured to attend the Installation Ceremony of District Governor Rtn. Kumar Sundararaj for the Rotary Year 2026–27, marking the official commencement of a new year of service, leadership, and impact across Rotary District 3220.

The occasion brought together Rotarians from across the district to celebrate this important milestone and reaffirm Rotary's commitment to creating positive change in communities. We extend our warmest congratulations and best wishes to District Governor Rtn. Kumar Sundararaj and his leadership team for a successful and impactful Rotary year ahead.
